

A Program for Parents. Bringing Awareness and Answering Questions

ADDRESSING THE QUESTIONS AND CONCERNS PARENTS HAVE ABOUT ALCOHOL, DRUGS AND MENTAL HEALTH

Dear Parents/Guardians:

Our school will have the opportunity to hear a guest speaker on making positive life choices and the negative impact of drugs and alcohol. He will be speaking to our students on September 24th at 9:00 a.m. at the High School.

The speaker, Mr. Ethan Fisher, shares the story of his past struggle with addiction and the consequences involved with drug and alcohol use/abuse. Mr. Fisher will host a Parent Awareness Session on September 24th at 6:00 p.m. about his story he shares with students about the problems associated with underage drinking, substance abuse and other social issues that might cause problems in their lives.

“ Mom you will never ever have to worry about that (partying) with me - Ethan's talk with us will never ever leave my mind.” I can't tell you how blessed and thankful at that moment I felt-

We invite all Parents to attend our Parent Program

The goal of this 60 min. session with Mr. Fisher is to bring awareness to our parents about the challenges students face in these complex social times as students. As a parent, you have the choice to attend this session to learn more about these issues. Mr. Fisher's goal is to open up that important dialogue between Parent and the Student by using his impacting story.
