

The Hagan Scholarship Foundation
Helping Students from Rural Counties

To Educators:

The first four years following high school graduation usually determine the future course of a person's career. If you are aware of students in need of financial assistance in order to attend college who meet the eligibility criteria for a Hagan Scholarship please encourage them to apply for a scholarship.

Recipients of a Hagan Scholarship will join a small yet distinguished group of high achieving students who aspire to obtain a college education in order to realize their full potential. The dollar amount of each Hagan Scholarship will vary **up to \$5,000 per semester**. Each scholarship is renewable for up to seven additional semesters if the recipient fulfills the renewal criteria. We will award about one hundred fifty (150) new scholarships in 2013.

The Hagan Scholarship is intended to make a college education affordable and will provide each recipient with **the opportunity to graduate college debt free**.

Enclosed is a brochure that describes the scholarship and eligibility requirements. For additional information please visit our website at www.hsfmo.org. The Scholarship Application can be downloaded from our website. Applicants WILL be judged on how well they follow the instructions. **The Scholarship Application is due in its entirety by November 15, 2012.**

To inform all students about the Hagan Scholarship please provide a link from your school's website to www.hsfmo.org.

Students applying for the scholarship will be asked to provide a Letter of Eligibility so it is likely that they will turn to you for such a letter. I hope you can assist us by encouraging qualified students to apply for a scholarship.

Sincerely,
