POTTER-DIX JUNIOR-SENIOR HIGH SCHOOL ACTIVITY POLICY

ACADEMIC ELIGIBILITY REQUIREMENTS

In order for a student to be eligible for any extra activities sponsored by the Nebraska School Activities Association, a student must have passed 20 hours of academic work the previous semester. Academic eligibility will be checked every week. **A student who is not passing one or more classes at progress reporting times will be ineligible to participate in extracurricular activity contests or performances if the grade remains below passing one week after progress reporting time. The student will remain ineligible until the student is passing all classes.** At that time, daily &/or weekly conferences will be held. The student will be expected to attend practices as usual. Teachers are responsible for giving students their grades at the end of each week. Notification by the Activities Director will be given to both the sponsor and participants on the Monday of the week of their ineligibility.

ATTENDANCE REQUIREMENTS

A student must be in attendance at least the second one-half day of the school day on the day of the school activity or he/she shall not be allowed to participate in the school-sponsored activity. If however, the student secures the Principal's permission prior to the absence from school, he/she shall then be considered eligible to participate. An excused absence will still permit a student to participate in an activity on the following day such as Saturday.

PERSONAL APPEARANCE

Appropriate dress for activity participation will be determined by the activity sponsor.

ACTIVITY PARTICIPATION

A student who attends a school event as a spectator will be considered as a representative of the school body and his/her behavior at that activity will be governed by the school as well as the behavior of the student who directly participates in school activities.

SPECIAL NOTATION

The above listed conditions affect all students who participate in any school-sponsored activities. Refusal to sign this agreement does not dismiss anyone from the responsibilities or consequences of this policy.

These are minimum rules affecting activity participation. However, in situations the administration considers to be flagrant violations, other disciplinary action may be taken.
