## Remembering 9/11 By. Ana Manning

September 11, 2001; a date that has impacted the lives of Americans as we once knew it. A day filled with loss, hurt, tears, and fallen heroes. So many questions still unanswered, maybe one day we'll know. Everyone thought that this terrible tragedy was of course an accident. Then the second tower of the world trade center in New York City, NY was hit. Our country was under attack! How do you remember this tragic day? Where were you when the world seemed to stop turning? Even those who were not alive to see and truly understand the terror on our country should be able to remember from those who saw our country cry. Many stories and songs have been written in honor of the heroes, the fallen and the Americans that saw the pain in our country and could do nothing. I hope that all of you that saw the attack on our country was affected in some way or another. Confused, saddened, or maybe even angry. For the red, the white and blue may bleed but they will never run. We will stand tall and fight to protect our country from those who hate that we stand together. Have you forgotten? Our freedom was won because we fought together, we stood together!! We remember our fallen and we honor our heroes. We stood for the flag and our colors!! We were Americans, and we took pride in our country and our freedom. The United States of America will either stand together or fall. For "We The People" will not forget.

## Featured Senior By. Ana Manning

Makayla Grey Williamson. One of our prestined 2020 seniors! She has attended Potter-Dix all of her public school life. She will attend college after high school and aspires to be an elementary school teacher. In her highschool career she has played volleyball, basketball, track, while also participating in one acts, speech, and student council. The main thing she will miss is the people at Potter-Dix. She has a bright future ahead of her in education and we all wish her the best of luck!!

Make Sure your suggestion in the box in the commons area!!!

# New Commons Area, New

**Us** By:RhiAnne Hillyer

It seemed like overnight our commons area was transformed. We came out of our classrooms and were greeted with tall red chairs around tall round tables. I then asked around the school about the area. Most people in school like the commons area. They think that it is a good place to hang out and get to know their school mates. Some of the suggestions they have are adding carpet and a vending machine with junk food. Most people have used the commons area and will continue to use it. Mr. Baker says he has some little furniture coming someday soon. He is hoping to see seating arrangements and he likes to see how kids and adults are using it. He wouldn't mind if a whole class period was at out there. Mr.Baker is planning on putting more things in "like next year."

# Junior High Watch and

**Win** By:RhiAnne Hillyer

On Wednesday September 18, Mr. Baker let us go watch the junior high games at home. I think it helped our volleyball and football team win. I want to give a big thanks to Mr.Baker and the teachers for letting us go watch and support our teams.

## Meet the Team

Hi, my name is RhiAnne Hillyer and I am in the journalism class. I work on the national news piece of the newspaper. I joined the journalism class because I like writing and sharing news.

I'm Hannah Reeve, part of the Potter-Dix Journalism class. I came to Potter in October of last year. I choose Journalism due to my love of writing and entertainment. I write the entertainment section for the Tradition Times and help edit.

Hi Folks! My name is Ana Manning and I am in Journalism this year. I mostly write about local news and human interest stories. Covering the Potter Days events and the 9/11 remembrance piece. I am excited to work with my fellow peers, to bring you all the interesting and new worthy events.
